Maple Leaves

DUBLIN HIGH SCHOOL

Our Theme . . .

Many love music merely for the sake of music, while for others it arouses thoughts and memories. Throughout high school life we each have been a tone in a web of melody-- one of mystery, enchantment and youth.

Music is inspirational and at times gives us faith and courage. Many tunes are spirited to fill us with pride in our school and our youth, while other haunting refrains fill us with indescribable longing and nostalgia.

Music to us is the pouring out of our innermost desires and dreams. It is the expression of freedom and individuality for which we are continually searching.

These reasons then are why we, the staff of the 1958 Maple Leaves, have chosen music as our theme.

CLASSES will forever be remembered
"After Graduation Day".

FEATURES will bring "Star Dust" to our
eyes and hearts.

ACTIVITIES always remind us of going
"Round and Round."

ATHLETICS remind us of our own "Mr.
Touchdown, U. S. A.".

He has the foresight and desire to help our school reach new heights and new possibilities, and we are grateful to him for the many hours of labor which he had dedicated to his job and our school.

WITH A SONG IN OUR HEARTS

We have exuberantly passed another year of our high school life. At times the song has been one of sadness and disappointment; but most of the time it has been of happiness and laughter.

The song holds memories--the pageantry of the band at a football game, cheerleaders urging the team onto victory, a merry mob at the Hob-Nob, banging of locker doors, loneliness of an empty

hall after school, blaze of royal color as our chorus presents a concert, carolers at Christmas, picnic by the edge of the lake at dusk, blare of a car radio late at night, nostalgic last dance of the prom, the pomp and dignity of graduation.

Never shall we forget these things because they are High School--a way of life dear to us.

Mrs. Atkins' favorite song must be "School Days" or is it School Daze?

Mrs. Byrd, were you "In the Middle of An Island"? ?

Bet Miss Currin was dreaming of "Here Comes the Bride".

The "Long, Long Trail A Winding" had just ended one of its paths for Miss Cassady!

Mrs. Williams looks like a real, cool "Lazy Bones" just getting her toes wet!!

Miss Chumbley, you'd never pass for "Long, Tall, Sally" in this picture!!

Miss Atkins must have been on her way to "Jailhouse Rock"--what else???

Could Mr. Meadows have been saying, "Baby, its Cold Outside"? ?

It was a cold day in July when I decided to take off from the humdrum of everyday and return to D.H.S. and sweet memories. I, Joyce Dishon Cox, left my closest sister, Edith Cox, to take care of baby Junior until I returned.

I boarded my blue and white Model A Sputnik with a twin exhaust and rushed over to a boarding house to pick up my high school buddies who were going to venture back to Dublintown with me. Sally Danner Bond commented as she stepped aboard that she wouldn't worry about her eight brats as they were in the good hands of her maid, Nancy "Henrietta" Mitchem.

We circled Dublintown Airport and radioed for landing instructions. Suprised, we recognized the voice of our old friend Norman Quick who was chief landing instructor serving under Robert Allison and Randolph Epperly, co-managers of the new necular powered airport.

Under instructions, we landed and found that the famous space-comedian, Arnold Davis and his sponsors, Edward Reece and Joseph McCraw were trying to put a shine on his new "Edsel Sputnik" in preparation for an appearance at the Moon Arena.

We hailed a cab and noticed the name "Compton's Cab". Our driver turned out to be none other than Jackie Compton. We remembered having read that he had won a safety prize for the safest 150 m.p.h. driver in the country. We directed him to take us to D.H.S.

On our way, we noticed Barbara Chinault, Shirley Smith and Mary Jane Wickline, old friends from D.H.S. window shopping for polka-dotted baby diapers. We also saw a sign which read, "Armstrong's Easy Chairs" and in the window there was Ray himself demonstrating the ease of his chairs. Observing him were Lois Pennington and Martha Saunders.

Passing the new grade school, we saw just outside the door, Shirley Huddle, Jean Dunford, Wilmina Cullip, Winona McClaugherty, Darlene O'Dell and Diana Dunnigan pulling their hair trying to get their kids to understand the Atoms for Peace Theory.

In the corner of the playground, we observed Coach Larry Taylor teaching his Space Eagles a new football play. Some of the fathers; Arlie O'Dell, Kenneth Alexander, Dalford Phillips, Jimmy Gunn, Fred Rotenberry, David Showalter, Clarence Jarrells, and Gene Simpkins were watching their sons scrimmage. One could tell that they were wishing they had known those techniques in their own school days.

We circled the square and entered D.H.S. territory "Shorty" Bill Ben Thompson and Frank Cline, the new custodians of D.H.S. were raising the new flag. The flag had been presented to the school by Seantors Don Bain and Eugene Montgomery.

Upon entering the school, we found Louise Felts, new director of Scientific Research and Viola Johnston, dramatics coach, discussing their problems. Bill Belcher, to our surprise, has taken a certain teacher's place as public speaking instructor. Kyle Dehart who substitutes for Bill was taking notes as to how he carries on the class as he thinks of his favorite brunette.

John Edwards, principal of D.H.S., invited us to return that night to see the Father vs. Son football game on the new and improved field.

We were leaving when we met Bonnie Rankin Hughett who invited us to ride with her. We spent a wonderful afternoon with Bonnie and some of our other friends, Nancy Chinault, Sylvia O'Dell, Barbara Dulaney, Gaynell Covey and Patsy Morefield, who dropped in to say "hello" to us. Together we all returned to D.H.S. for the game.

Arlen Doss met us at the stadium gate yelling, "Tickets here, please!" Selling programs were Ann McPeak and Treva Rice.

INTO THE FUTURE

The band was marching as we entered our seats. Johnny Tucker was all smiles as he directed the youngsters through their paces. Alma Wheeling, Linda Morgan McDaniel, and Sandy Duncan were on hand to put the majorettes through their hand springs and maneuvers.

The cheerleaders were whooping it up and guiding them on were their mothers, Norma Boone, Barbara Brookfield, Patsy Lilly, Shirley Wheeling, Clara Saul, and Alecia Apperson.

As the game was about to start, we saw Coaches Harold Ward and Clifford Underwood followed by Sherrard Marshall, Ralph Jones, Ted Anderson, Doyt Bolling and Bull Cochran come onto the field. However, not enough of the team could return for the game so Pete Hodge, John Cord, Steve Cox and David Holliday were on hand to help.

At half-time we saw Alice Alderman with her twins. Barbara Barr came over to show us her triplets and not to be outdone Bonnie Bell appeared on the scene with her quads.

Bobby Anderson offered us refreshments at his concession stand built by the famous construction engineer, Robert Bond. The coffee was awful, but we did have a chance to see Velma Edwards, secretary to the president of Mars Airlines. The president by the way is Frank Eller. Ruth Butts was there with Shelby Hill and Rosella Lawson. They had stopped in on their way to New York to do a new TV series. You've heard of the "Dumpling Trio".

After the game, we all went to Carl Haga's Hash Haven to talk over old times and the game. By the way, the fathers lost to their sons 107-0! Nancy Howell the brain surgeon, or is it surgeoness, was there with Marcus Jones. The conversation was going along nicely until Harold Allison, Ronnie Flinchum and Bobby Jennings appeared. They just couldn't talk about a thing but their farms, crops and cattle. Ruth Handy, the cigarette girl, finally saved us by pretending we had a telephone call.

On our way out, we bumped into Geneva Lawson, Luana Kimbler and Sylvia Lawson. They suggested we go over to Warren Morris' Lakeside Grill and listen to the music of the Atomic Five. They were really terrific with Charles Leonard on the drums, Jimmy Linkous at the piano, David Robertson clarinet, Houston Sayers trumpet, and Freddie Tolbert flute. Nancy Laxton looked lovely in her role of hostess. Our biggest surprise came later in the evening when the floor show began and we encountered the chorus line composed of Alice Long, Lillie Lyons, Gloria Mathena, Georgia Nester, Mary Ruth Owens, Essie Phillips, Maxine Phillips, and Jane Quesenberry.

As an added attraction, Warren had hired the services of the movie idol, Ira Lee Weikel, who had all the girls swooning with his version of "Jupiter Jump". It's the latest dance created by Glenn Watson and Erma Roseberry.

The wee hours of the morning were approaching, but we just couldn't go home. We were meeting our D.H.S. friends every place we went. We saw Mary Wilson as she came from her job as attendance expert for Radiation Mills, Inc. She told us that her boss was Donald Wood and working with her were Shirley Solomon, Mary Tabor, and Mary Tickle. She also said that Jean Podruchny and Ruth Long had been with the company, but had left to take jobs as teachers in lower Siberia.

Finally we had to go home, but to complete the picture as we flew over the home of Freda Smythers Watson, we saw her hanging out the wash. What a wash! But with twelve little Watsons what could you expect"??

It was really a wonderful experience and we'd love to do it again in about ten or fifteen years, but would you believe it, it seems like a dream now.

SCHOOL SONG

With a step that is sturdy and strong
The Dublin Boys march along
True to the colors they wear
To the blue and white to rare, Rah, Rah,
In bonds of the true fellowship
That the days and years cannot sever,
United in friendship we stand
To Dublin High our alma mater forever.

"A PRETTY GIRL IS LIKE A MELODY"

Each spring the Student Cooperative Association sponsors a beauty pageant to select Miss Dublin High School and her attendants. The choice is always difficult for the judges when the many beautiful Dublin High School girls parade before them. One would have to be completely without imagination to not imagine themselves hearing the strains of "A Pretty Girl Is Like A Melody," as the girls gracefully glide before the audience. For 1957 the choice of Miss D. H. S. must have been a difficult decision, but with much pride and admiration we present, Miss Dublin High School and her attendants.

MISS DUBLIN HIGH SCHOOL

"ONE WILD NIGHT"

Who could forget the junior play, ONE WILD NIGHT?? Laughter filled the auditorium as the cast scampered through their version of the last night and day in the life of a young man who knew he was about to die. The audience howled as Arlen appeared in his "long handles" after the explosion, as Nancy fainted when the ghost (?) of her employer appeared, as Freddy played the "heavy", and as Barbara slinked across the stage as the night club singer. Bill was never better as the sick young man, especially when he decided it might be worthwhile living after seeing Joyce. Dalford, as the doctor, played his part to perfection, and Darlene, as Aunt Myra, really was the greatest. The supporting actors and actresses gave splendid performances and it was ONE WILD NIGHT!!

HOMECOMING

"SLEIGH RIDE"

The magic of Christmas filled the gym as we danced at our Christmas formal. We imagined ourselves in an old fashioned Christmas card as we looked down the cobblestone street lined with snow covered pines and drifts of snow. We dreamed of fairy kings and queens as Linda Wilson and Donald Hodge we crowned Snow King and Queen in the sleigh of Christmas pink. We knew that the spirit of Christmas was all around us ... and strangely enough even dancing we felt in our hearts the real meaning of Christmas time, the birth of Jesus.

BOYS'

BEAUTY PAGEANT

FAITHFUL FOREVER

In a school the size of D.H.S., it is inevitable that there are those who prove their faithfulness by an amazing record of attendance. We believe that these students are worthy of recognition, and because of this belief we present to you . . .

SYLVIA O'DELL

who has not in her five years of high school missed a day,

and

MARY WILSON

who has not missed a day of school since she was in the fourth grade.

To these girls we say, "We're proud of you and your fine record of attendance. You are an example we might all follow."

The Girls' Chorus is designed primarily for students who need more training before they can sing in the advanced group. During the year these girls have made much progress in obtaining better vocal control. This group of singers always displayed a willingness to work and an abundance of cheerfulness.

This chorus has gained valuable musical experiences through performances as well as class periods. The major public appearances of this chorus were assemblies, District VI Music Festival, and three concerts.

Ann Brown is president of the group, and Patsy Ritter is vice-president. Secretary-treasurer for the girls' chorus is Frances Hurt. Brenda Cline and Eva McGuire perform the duties of Librarians.

The Hi-Y is the Y.M.C.A. in the high school. Members of the Hi-Y are committed to a Christian purpose at work, in the home, school, and community. They are not members of a fraternity or a social organization.

The basic purpose of the Hi-Y is to create, maintain, and extend throughout the home, school, and community high standards of Christian character.

Some objectives of the Hi-Y are:

- To develop personal integrity and self-discipline.
- To maintain a perspective in a world of shifting values.
- To perform useful home, church, school, and community services.
- To prepare adequately for the future.
- To practice democratic methods.

The Dublin Hi-Y was very active this school year. The first activity that the club sponsored was the basketball game between the male faculty members and the members of the Hi-Y. The contest was thoroughly enjoyed by all, with the club winning the game by a two point margin. After the game a dance was well attended by students and faculty members.

Later in the school year, a pot luck supper was held jointly by the Hi-Y and Tri-Hi-Y. This helped to promote fellowship between the two groups.

Representatives were elected to attend district meetings in Wytheville and Blacksburg, while in the spring several members were chosen to attend the Model General Assembly in Richmond.

The Tri-Hi-Y has been an active organization this school year. The primary purpose of the Tri-Hi-Y is to foster Christian citizenship among youth in the high school.

Among the activities of the Tri-Hi-Y for this year have been the basketball game between the ladies of the faculty and the Tri-Hi girls, the Christmas assembly, grace before lunch, a sock hop to raise money for the stadium fund, and responsibility for one of the new bulletin boards. Two delegates were sent to Richmond for the Model General Assembly held in April.

A pot luck supper was had with the Hi-Y boys so that the two clubs might become better acquainted. Tri-Hi-Y sponsored an entry in the boys' beauty pageant and has during the year attempted to take part in all worthwhile activities of the school.

THE VARSITY FOOTBALL TEAM

On November 15, the Dublin "Dukes" closed out their first undefeated season in many years. This was an important victory for it meant achievement and success for the many seniors who had worked hard for four years to bring the honor of "District VI Champions" to Dublin High School.

The opening game with the George Wythe "Maroons" found the "Dukes" victorious by a score of 47 to 6. The following week the Dublin eleven took Pearisburg by a 26-0 count. The next week the team, playing on the opponents' home field, rallied from a 7-7 half time score to down a fighting Blacksburg eleven by the score of 34 to 7.

On the night of October 4, Radford and Dublin, two powerful, undefeated elevens clashed head on in the Dublin stadium before a crowd of 5,000. The "Dukes" played one of their greatest games as they completely outplayed and out fought the "Bobcats" from Radford. The final score read Dublin 19, Radford 7. From this game on, their determination to win grew stronger and stronger. The following week a big, strong Narrows eleven was downed 14-7. This was one of the most brutal struggles ever witnessed on the gridiron. The "Dukes" took a hard fought 14-0 lead and as the fog from New River and the "Green Wave" from Narrows rolled in, the final whistle blew and the blue and white remained undefeated with a 14-7 victory.

On October 18, the "Dukes" rallied after a slow first quarter to wallopp the "Demons" of Christiansburg 32-6. The next week found the "Dukes" at the top side of a 43-6 score with a Fries eleven.

The year 1957 will be remembered as the year of Asiatic flu and it hit the Dublin stronghold the week of November 1. This was the week the blue and white pulled up from the bed, with little practice, to tie Pulaski 14-14. On November 8, at Hillsville the "Dukes" defeated a big "Indian" eleven 47-0. Then to close out the season the "Dukes" pushed over six touchdowns to take the Bedford "Otters" by a 42-6 count.

All in all, it was a great season, if not the greatest, in the history of the school. It marks the first time the District VI Championship trophy has come to rest in our showcase. We are all very proud of it.

Those boys who played their last season and who will be greatly missed next year are: Bell Belcher, James Cochran, Harold Ward, John Tucker, Doyt Bolling, John Edwards, Clifford Underwood, Gary Mann, Ted Anderson, Frank Eller, Ralph Jones and Norman Quick. These boys played their hearts out and were one of the big factors for such a successful season. Also key factors were such stalwarts as Bill Craig, Wallace Bruce, Jerry Loar, Bobby Bruce, Larry Clevinger, Peyton Duncan, Doyle Eller, William Franklin, Eugene Goad, Lee Gooch, John Hall, Benny Keister, John McMullin, J. C. Roubush, and John Elledge.

In closing, we would like to say---Orchids to the team; the coaches, Ken Dobson and Gene Crookshank; and their staff.

This season shall never be forgotten!!!!

The Basketeers of D. H. S. started and ended their season at a fast pace and their fine showing in the District Tournament was gratifying to most "Duke" supporters. They enjoyed the most successful season in the history of Dublin High School and finished third in the District VI tournament held at V. P. I.

The "Dukes" wound up the '58 season with a 16-4 district record and lost two non-district games. Two of those victories were George Wythe and Drewry Mason in the District VI tournament. Their lone defeat came from the state champions, Martinsville.

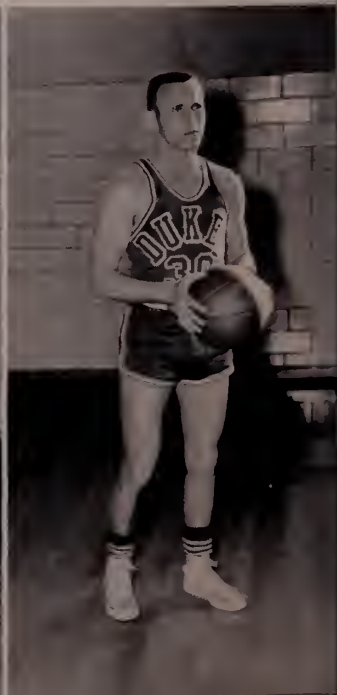

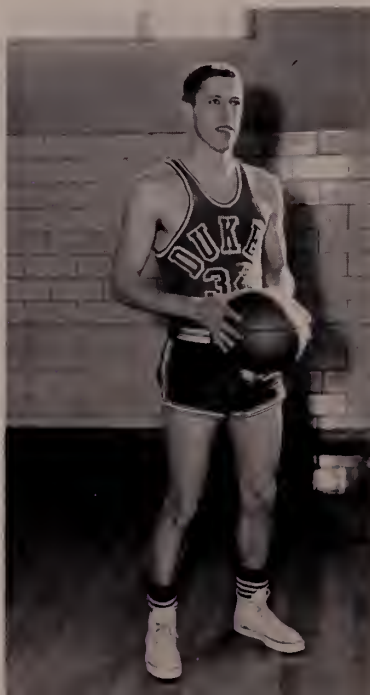

The "Dukes" were led by the brilliant play of Co-captain Bill Belcher. He led the team in scoring with 348 points, an average of 16 points per game. Bill had plenty of help from Harold Ward with 245 points; Larry Blevins, 198; Co-captain John Edwards, 182; Lee Gooch, 93; Jimmy Wilkerson, 83; Jerry Loar, 46; John McMullin, 46; Ted Anderson, 41; Charles Tilson, 13; Doyle Eller, 7; Bobby Bruce, 7; and Eugene Goad, 5.

Playing their last season for the Blue and White were four seniors who will be greatly missed next year. These boys had a great season and we are truly proud of their fine leadership. Those players who graduate are Co-Captains Bill Belcher and John Edwards, Harold Ward, and Ted Anderson.

Hats off to the team, coaches and managers for a successful season.

BASEBALL 1957

Cold weather that ran well into April hampered baseball practice last spring. The opening game was with Blacksburg and Dublin suffered an 18 to 15 defeat in a game of errors. The following week, Dublin traveled to Narrows and came up with a 9-1 victory. The only shut out of the season followed when Pembroke drubbed the Dukes 4-0 on our home field. The next three games were losses to Radford, Christiansburg and Narrows. The second game scheduled with Pembroke was won by the weather-man when rain cancelled the game. Things began to look up the next week when the Dukes beat Radford 5 to 3. Blacksburg riding along on a winning streak when down the following week 5-0, and the season came to an end with a 14 to 6 rout over Christiansburg.

JUNIOR VARSITY FOOTBALL TEAM

The season's opener for the junior varsity football team came on a hot Saturday afternoon in Radford. The only score of the ball game came on a recovered block punt that covered forty yards. The next meeting was with a small, but scrappy, Pearisburg eleven. After an afternoon of grunts and groans the little Dukes came away with a 19-13 victory.

The J. V. Dukes met their only defeat at the hands of a big strong single wing aggregation from Narrows who kept the score at 12-0. Dublin got back into the winning way the next week by beating Christiansburg on our home field 26-7.

The blue and white had a chance at sweet revenge when they defeated Blacksburg 19-7. This took the sting out of the licking Blacksburg handed us the year before.

The crowning touch to a good season was a 14 to 7 victory over our county rival, Pulaski. That in itself would have almost made the season successful. The boys on the J. V. team deserve credit for a job well done under the guiding hands of their coach, Mr. Hartsock.

EIGHTH GRADE FOOTBALL TEAM

The eighth grade football team was made up of a large number of boys. Their stature, however, was small. This lack of size, none the less, was compensated for in a dogged, determined spirit.

The first game was with a highly tutored Radford team. Although we were outsized, our boys never gave up, and they rolled home with a 13-13 tie. It was a real moral victory.

The second game was a real thriller as we traveled to Pearisburg to meet a very large eighth grade team. It was an uphill fight all the way and when the smoke had cleared, the Red Devils has nipped the Baby Dukes 9 to 7.

Dublin next journeyed to Wytheville and met a very excellent team. The little Dukes were defeated by a very superior team 28-7.

The first home game came when we met Christiansburg. After a long scoring pass play on the first play of the game by Dublin, the Christiansburg Demons shut out the little Dukes the remainder of the game and rolled up a 35-7 score.

The last game of the season was played before a small crowd at the Dublin field. The opponent--Pulaski! All the boys played good, hard football, but succumbed to a more powerful team 9-0.

It must be said that all of the players gave everything they had all season, and despite overwhelming odds they never gave up. Several of the boys looked very good and no doubt, next year will help the Junior Varsity team. Although the eighth graders failed to taste victory, the eighth grade program performed its duty--teaching football fundamentals for the future.

Dublin	7	Pearisburg	9
Dublin	7	Wytheville	28

JUNIOR VARSITY BASKETBALL TEAM

The junior varsity basketball team had a very successful season in 1957-58, due mainly to the fact that everyone had the strong desire to improve themselves. This, plus a hustling spirit and good coaching, made it tough for each opponent that the Junior Dukes played.

Some very fine boys prepared themselves for future varsity competition, and we can look for good things to come if these boys continue to show improvement.

Boys who showed very much promise and possibly will be varsity material next year are William Franklin, Doug Kidd, and Bill Simpson. This is their second year on the J. V. squad.

Having been groomed for things to come, best of luck to a fine group of spirited ball players in your basketball future!

The Junior Varsity Boys averaged 44 points per game.

EIGHTH GRADE BASKETBALL TEAM

The eighth grade basketball team played ten games this year and ended with a one and nine record. The boys were able to practice only twice a week and often times not even then. When you consider that the opposition teams practiced every day, the eighth grade boys certainly have nothing of which to be ashamed. Several of the games were close in score, and as a matter of fact, one of the games with Pulaski was lost in an overtime period. Another game was lost to Wytheville in the same way.

There was plenty of team spirit and eagerness to learn basketball among the eighth grade boys. If this spirit continues through the next four years then the basketball fans of Dublin High School have something to look forward to. No one person can be singled out because the team worked as a unit, which is the best way to have a team.
